

2500 W WETLAND CORRIDOR

BRIEF DESCRIPTION: This corridor starts at 1900 N. 2500 W. Meandering within the slough then crossing over 1800 N. Following the slough to cross over 2750 W. Following the slough to cross over 1625 N. Following the slough to its end at the LDS church farm property adjacent to the cul-de-sac at the south end of 2750 W. This would have to be a boardwalk built on stilts because of the slough terrain that it would traverse. Also, it would have to be 60 inches wide to accommodate wheel chair traffic but restricted to other motorized vehicles.
