

FARR WEST CITY ACKNOWLEDGEMENT LETTER

UPDES Permit Number: _____

(This number must be obtained from the State on-line at <https://secure.utah.gov/stormwater/>)

APPLICANT CERTIFICATION:

I, _____, understand that the issuance of this permit commits me to follow all the requirements of Farr West City Public Works Standards and that I will be subject to any and all penalties associated with violations of this Permit and/or applicable Ordinance. I understand that this Permit and associated SWPPP is required and will remain in effect until the entire project is stabilized, revegetated and complete. The site and BMPs will be inspected on a regular basis to ensure compliance with this Permit and SWPPP. The Permittee is responsible for Permit and SWPPP compliance for the entire site and for the duration of the work and/or construction activity. The Permittee is responsible for the actions of the subcontractors, vendors, delivery personnel, and others who will be working on the site. The Permittee is responsible for any material that leaves the site, regardless of compliance with the SWPPP.

I hereby acknowledge that I have read the instructions and provisions of this Permit and applicable City Ordinances and agree to follow the terms and conditions of this Permit, the SWPPP, and applicable ordinances, rules and regulations. I certify that this document and all attachments were prepared under the direction or supervision of those who have placed their signature below and in accordance with a system designed to assure that the information submitted was properly gathered and evaluated by qualified personnel or consultants. Based on my inquiry of the person or persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete.

A legally authorized representative of any applicant that is a corporation, partnership, limited liability company, trust or other legal or governmental entity must sign the application on behalf of and as authorized by the legal or governmental entity. Separate documentation shall be provided regarding such authorization.

Nothing contained in this Packet is intended to relieve any person or entity from any obligation to comply with applicable federal and state laws and regulations pertaining to clean water and/or storm water runoff.

Applicant or legally Authorized Representative Date

Print Name and Title of Applicant or Legally Authorized Representative

INSPECTION FLOW CHART

Inspections:

The site shall be inspected weekly. Monitoring of the site should be ongoing, and BMP's should be maintained or adjusted as soon as a problem is identified. Improperly maintained BMP's will be considered a violation of the Farr West City Storm Water Ordinance and Public Works Standards, even if they are discovered between official inspections.

A report will be filled out and kept with the SWPPP for each inspection. Contractor/owner site inspection report shall include:

- 1- The location of the site being inspected
- 2- The date of the inspection
- 3- A list of BMP's that were inspected
- 4- Any deficiencies that were identified for the BMP's
- 5- A description of the action that was taken to correct the deficiency
- 6- The date the deficiency was corrected
- 7- Certification that the report is accurate and true
- 8- The signature of the person filling out the report

Good House Keeping:

Construction waste, litter/trash shall be removed and/ or contained properly at all times. All dirt and mud shall be kept on site. Any dirt or mud in the street shall be cleaned up immediately.

Site Stabilization:

BMP's to prevent material transfer from the site to the street will remain in place until the site is stabilized.

Permit / SWPPP accessibility:

A copy of the SWPPP packet shall be kept on site or contact information of location of the SWPPP posted on site.

Notice of Termination (NOT):

A Notice of Termination (NOT) shall be submitted within thirty (30) days after completion of construction and stabilization or the site is taken over by another operator who has agreed to complete final stabilization. All temporary BMP's will be removed and properly disposed of.
